

COMPANY INFO

Since 2013, GGI has built a reputation as the most trusted name in Myanmar insurance market. We believe that with the progression of our nation comes a requirement for trusted insurance providers to safeguard the financial well-being of individuals and businesses. That is why we are committed to providing premium insurance policies that protect what matters most to you - giving you the confidence you need to follow your dreams.

In 2019 we partnered with Tokio Marine, Japan's leading insurance company. We are proud to work alongside such an esteemed and capable company. With GGI's deep knowledge of the Myanmar people and Tokio Marine's global expertise, we are excited to offer a new line of premium insurance policies to the Myanmar market.

Securing Your Future

PROTECT YOUR CARGO OVERSEAS

As the world becomes ever more connected, Myanmar business owners need to protect their precious cargo from the many accidents and misfortunes that can occur during the shipping process.

This special policy protects you, as a business owner, from loss or damage of cargo you export or import by way of air or sea freight. We will cover you anywhere in the world, providing high quality protection and safeguarding your global business.

Your cargo is too important to leave to chance, so insure with us today, and rest easy in the knowledge that your goods are secure.

FEATURES:

This policy covers loss or damage by fire or explosion, as well as stranded, grounded, sunk or capsized vehicles. We also cover collisions and contacts with other vessels, and any external object other than water.

We recommend this policy for importers, exporters, cargo owners, logistics companies, freight forwarders and legally authorized representative agents.

CORE BENEFITS

Protection against unforeseen circumstances, losses or damage by fire or explosion.

Protection against vessels that are stranded, grounded, sunk or capsized.

Collision or contact of vessel, craft or conveyance with external object other than water.
